Breakfast

Weather: mountain roads can close for landslides or snow — we add a buffer day for weather or rest whenever your dates allow.

What our NRI pilgrims get

- **Airport pickup & rest day.** We meet you at Delhi airport and plan a rest night before the drive, so jet lag doesn't spoil the yatra.
- **Registration handled.** Mandatory Char Dham registration done for every pilgrim, with printouts ready for the checkpoints.
- **Private car, hill driver.** Your own vehicle and a driver who knows the route, the rest stops and the alternate roads when landslides strike. Your driver's name, photo and car number are shared with you before the trip.
- **Care for elders.** Pony, palki or helicopter options and an unhurried daily pace.
- **Darshan & puja planning.** We time each day for darshan and help you book official pujas where the temple committees offer them.
- **Updates for family abroad.** A WhatsApp group with our coordinator so your family back home knows where you are each day.

About the price: "From" prices are per person for two pilgrims sharing a room, with a private car and driver, hotels and daily breakfast and dinner on the route. International flights, temple puja fees, pony/palki charges and tips are extra. Helicopter tickets depend on IRCTC HeliYatra availability and the weather. The "from" price is indicative; your exact quote in US dollars lists what is and isn't included, in writing.

Documents & rules — before you fly

- **Visa:** Indian passport or OCI card: no visa needed. Other passports: apply yourself for the India e-Visa at the official site indianvisaonline.gov.in — beware look-alike sites that charge extra. We are not a visa agency.
- **Char Dham registration:** Mandatory for every pilgrim, on registrationandtouristcare.uk.gov.in. We do it for you with your passport details.
- **Kedarnath helicopter:** Official tickets only on heliyatra.irctc.co.in. Beware of fake websites and "guaranteed ticket" offers.

- **Health:** Kedarnath (about 3,580 m / 11,700 ft) and Yamunotri are high. Consult your doctor before travel, especially for heart, lung or blood-pressure conditions, and carry your medicines (see also CDC or NHS Fit for Travel).
- **Packing:** Warm layers (nights are cold even in June), rain jacket, good walking shoes, a torch and some cash — card payments and ATMs are limited in the mountains.

How booking works

20% deposit locks your dates and price; full refund if cancelled within 48 hours of paying; balance before the trip; pay by card via Razorpay (international cards accepted) or PayPal.

You can change anything in this plan before you pay — dates, Do Dham instead of all four, helicopter for Kedarnath, hotel class, extra rest days.
